7 UNITED STATES OF AMERICA,

Case No. 2:14-CR-339 JCM (GWF)

8 Plaintiff(s),

ORDER

9 v.

10 DEAN COLEMAN,

11 Defendant(s).

12  
13 Presently before the court is plaintiff United States of America's ("the government")  
14 motion to continue revocation hearing. (ECF No. 67). Defendant Dean Coleman opposes the  
15 motion. *Id.*

16 On June 26, 2018, the government provided defendant's counsel with a proposed global  
17 plea agreement in order to resolve this matter, as well as other charges stemming from the alleged  
18 violations of defendant's supervised release. (ECF No. 67).

19 On July 9, 2018, defendant's counsel informed the government that the defendant had  
20 rejected the global plea agreement. (ECF No. 67). However, the government now contends that  
21 it is not ready to proceed with the revocation hearing scheduled for July 10, 2018, because ATF  
22 SA LaRusso, a necessary witness for the government, is out of the district and not available to  
23 testify. *Id.* Accordingly, the government requests a two-week continuance. *Id.*

24 Defendant, who is incarcerated, objects to the continuance. (ECF No. 67).

25 As the government's witness will be unable to testify at defendant's hearing as currently  
26 scheduled, the court will grant the government's motion to continue hearing.
